

SAFE ANAESTHESIA PRACTICES - ACCESSIBLE TO ALL

Dear Sir,

Greetings from the Indian Society of Anaesthesiologists (ISA) – Meghalaya Branch.

The Governing Council of the Indian Society of Anaesthesiologists (ISA – National Headquarter) has awarded the Meghalaya Chapter of the Association to conduct the 69th Annual National Conference of Indian Society of Anaesthesiology (ISACON 2022) in the year 2022, November. This conference will be held at NEIGRIHMS, Mawdiangdiang, Shillong, Meghalaya.

We are diligently working on bringing the most knowledgeable faculty from India and all over the world as well as leaders in the industry to explore these important topics.

This conference comprises five days of technical sessions on cutting edge issues related to our industry, there are also many opportunities for networking and socializing with our colleagues.

The attendees will have increased incentive to visit Shillong after the long and enforced hiatus imposed by the recent COVID-19 Pandemic. It is confidently anticipated that the exhibitor's booths will have substantial footfalls.

Your generous contribution would be a wonderful opportunity for your company to have heightened visibility in front of an audience who could benefit and value from your participation in this conference.

Thank you for considering to being an exhibitor and/or sponsor for our event.
